

Script of How to make Indomie

Opening

"Hello guys introduce my name is John Doe"

"I'm from grade 12A"

"And then i will make a video about How to make Indomie"

"Yup, let's go"

Contents of the video

"The first one put the water into the pan"

"And then turn on the Stove"

"Wait 3x, i think it doesn't enough (the water) i will add more water"

"Yap i was right, much better"

"Now we just wait the water until boiling"

"Yoww the water is already boiling"

"Now i open the packaging and i will take out the noodle"

*Yap there's seasoning here but i just need a noodle for now"

"Now i will add the noodle into the pan"

"And then pour the egg in the pan like I do"

unintentional scene

"Actually i didn't mean to record this scene but listen the sound"

"Blub,blub,blub (Sounds of boiling water)"

Contents of the video

"Look I love the texture, soft and supple it's good to eat because it helps speed up the chewing process in your mouth"

*If look like enough turn of the stove and drain the water"

"After drain the water pour the noodle into a plate"

"And open the seasoning one by one like I do"

"And then mix the seasoning until evenly distributed"

"And then put the egg in the noodle for a topping"

"And finally Indomie is ready to eat, Simple right"

Closing

"Hello thanks for watching my video"

"This is so boring"

"Sorry for my mistake, for my pronouncing cause i dubbing it of the middle of the night"

"Like yup, look (open the eyes)"

"Okay bye see you"

"Thank you Mr.taufiq"

"Bye-bye"
